To Mr. Hoke,

I am very interested in the position advertised on your website for a Counsellor at Camp Big Canoe. With my passion for nature and experience working with kids, I believe I would be a great fit for the camp. I would like to take this opportunity to tell you a bit more about how my abilities and my experience make me an ideal candidate for this job.

I am very familiar with working with children aged 3-10 as a lifeguard at my local pool, and from over 4 years of experience babysitting for families in my county. I have qualified for my Bronze Cross Lifeguard Certification, and have taken my CPR level 1 training with St. John Ambulance. I also maintain a website about babysitting tips, and I love to look for new ideas to keep kids healthy and safe. I am always calm under pressure, and I was recently recognized for saving the life of a young person in the pool. My experiences have given me a wide range of skills suited to working with groups of children and building relationships. I am eager to contribute to an organization which provides a safe, fun, and rewarding environment for young people. I am confident that I would be able to help promote your camp and offer a great summer experience to your campers.

My resume is included for your perusal. I look forward to meeting with you to discuss this position and my qualifications further. Thank you for your consideration.

Sincerely,

SUZANNE MAHER
